  - Emily, welcome aboard, we look forward to enthusiasm and strong work ethic to help build our volunteer and outreach programs.

## Iroquois Memorial Hospice Fundraising Update

The Iroquois Memorial Hospice Fundraising Committee recently met to plan the future of fundraising for hospice. Fundraising helps finance items for patients that are not covered by insurance or Medicare, such as medications, durable medical equipment, hospital beds, and other supplies. It also ensures that no patient is ever turned away due to their inability to pay for their end of life care

The committee found that the annual well known "Hospice Brunch and Silent Auction" was no longer possible, in spite of 24 years of it being a wonderful opportunity for community members to give to the work of Iroquois Memorial Hospice, which now cares for patients in portions of 4 surrounding counties as well as all of Iroquois County. The committee then determined that the best option for providing an opportunity for people to support the work of our hospice would be through a "Write a Check" campaign. If you would like to make a donation, please make your check out to the Iroquois Memorial Hospice Fund. Your gift will be tax deductible. Please mail it to: Iroquois Memorial Hospice Fund, Attention: Emily Bull, 200 North Laird Lane, Watseka, IL, 60970.
